Generic pricing covers a 30-day supply for \$4.00 or a 90-day supply for \$10.00. Additional medications are offered at various reduced rates. See Buehlers.com or a pharmacist for details. \$4 program covers medications for a 30-day supply of eligible drugs at commonly prescribed dosages. \$10 program covers medications for a 90-day supply of eligible drugs at commonly prescribed dosages. Prices for less than a 90-day supply are prorated based on the 30-day price not to exceed \$10. Prices for more than a 90-day supply are prorated based on the discounted generic rate. Physician prescription required to convert from a 30-day to 90-day supply.

Some insurance plans, including government-funded prescription programs, may not cover a 90-day supply. Program enrollment is required to receive reduced pricing. Some restrictions apply. See pharmacy for details. Buehler's Food Markets reserves the right to discontinue or modify these programs at any time.

Buehler's Food Markets Prescription Rx Savings Club is not insurance coverage and does require the Buehler Food Markets Advantage Card to enroll with a fee.

Buehler's Food Markets reserve the right to discontinue or modify this program at any time. Prescriptions must initially be filled in person. Refills must be picked up in the store.

No substitutions.

Not all drugs are eligible for \$4 Program are eligible for the \$10 Program, as well as some drugs are available at \$9 for a 30 day's supply or \$24 for a 90 day's supply.
