To provide safety for our young guests...

- A photo ID IS REQUIRED when signing in and out.
- The same person is required to sign our young guests both in and out of KidzPark.
- Sign in and out person is required to remain in the store at all times.
- Sign in and out person is required to return to KidzPark when paged.
- We ask that the special needs of our young guests be identified.
- Buehler's reserves the right to limit the number of our visitors.

For the consideration of others, we ask that our young guests...

- Be out of diapers
- Be free of colds, virus or rash
- Use the restroom before visiting
- Finish all snacks before visiting

OUR PROGRAM

KidzPark is designed to offer a safe, exciting and diverse opportunity for our customer's children. We understand that children learn best from positive play experiences. Therefore, you will find our room has a variety of toys, games, computers, and the opportunity to experience various craft projects. KidzPark associates recognize the differing abilities of children and we treat each child with respect to their individual needs.
